How to Load the Canva Templates

1. Make sure you're already logged in to **Canva** on your desktop/laptop in a tab or window

   * If you don't have a Canva account, you can sign up for free

2. **Click the image below** to open the template link

3. After opening the link, a screen previewing the template will appear

4. Click **Use template**

5. The template will open in **Canva**, all ready for you to **make your edits!** 😃

THB reminder: The templates will appear under **Your designs** (**Home** tab)
